

3 Days White Mountain Photographer's Journey

(WM3)

Day 1 New York City – New Hampshire 320 mi

The tour will depart from New York to the state of **New Hampshire**, and the first stop will be the **Budweiser Factory Tour**, where one of every two beers consumed in America is made, and serving all New England. The guided tour inside will show you every single step of how the beer is made. Afterwards the tour will continue to the **Capitol House of New Hampshire** to explore the history of the Granite State, following that we will enjoy the beautiful views of the largest lake in the state, **Lake Winnepesaukee**.
Standard Hotel: Holiday inn or Similar

Day 2 New Hampshire 60 mi

The tour will continue to the **White Mountain National Forest**. Upon arrival, we will take the world's most famous **Cog Railway** that will provide an unforgettable adventure and magnificent scenery to everyone. Then we'll take an 80-passenger cable car to the 4,080-foot summit of **Cannon Mountain** in under 10 minutes. On a clear day, you can see the mountains of New England and even Canada, plus a 360-degree observation deck on the summit of the mountain. Afterwards we will visit **Flume Gorge** where you can find over 20 waterfalls along its path, and enjoy the beauty of Mother Nature.
Standard Hotel: Holiday inn or Similar

Day 3 New Hampshire – New York City 320 mi

Today we will visit the **Polar Caves Park**, a set of glacially-formed caves which was formed 50,000 years ago, by a continental glacier. Self-guided cave tours let you go at your own pace: explore Nature Trails, feed the animals, get a sweet treat in the Maple Sugar Lodge, and try your hand at our Polar Mining Expedition Sluice. Maybe you can even conquer the new Polar Ascent and Climbing Wall. After that we will head over to the **New Hampshire Duty-Free Liquor Outlet**, which is one of the two states in this country that does not tax on liquor. Then lastly, we will visit the Mystic Aquarium. **Mystic Aquarium** is not just an aquarium but also an oceanographic institution that studies varieties of unique marine species.

*Itinerary may change without notice.
